SUBJ: Groundwater Resampling Report  
Brown's Dump  
EPA I.D. Number: FLD 980 847 016

Dear Ms. Nogas:

The U.S. Environmental Protection Agency (EPA) received during the week of March 17<sup>th</sup> its copy of the Groundwater Resampling Report (dated March 2003). Since the City's contractor sent two (2) copies directly to Mike Fitzsimmons, you probably already have a copy of this report. If not, please let me know.

EPA requests that you please take this opportunity to review the report and provide EPA with any comments within thirty (30) calendar days from receipt of this letter.

If you have any questions on the report or other aspects of the project, please feel free to call me at (404) 562-8938 or Joe Alfano at (404) 562-8933.

Sincerely,

Wesley S. Hardegree  
Remedial Project Manager
